By signing below I am agreeing to transfer my subscription from Birdnet to Rare Bird Alert.

Rare Bird Alert will provide you with service up to the end of your current subscription period with Birdnet. In order to receive service beyond this period you will need to subscribe to Rare Bird Alert at your current Birdnet subscription rate (Rare Bird Alert reserve the right to change these rates for future renewals).

Pager customers transferring their subscriptions agree to a 12 month contract, with a three month notice period required if you wish to cancel your contract, this cancellation cannot occur until after the first 12 months of paid service has elapsed. At the end of any contract you are required to return the pager to RBA to avoid the £135 replacement pager fee as per your original Birdnet contract.

Twitter and Website users transferring their subscriptions agree to a minimum 12 month subscription at your current Birdnet subscription rate (Rare Bird Alert reserve the right to change these rates for future renewals).
